Satisfaction for the whole family

MLADOST D.O.O.

LESKOVAC

Production and trading company Mladost DOO from Leskovac was founded in 1991. The main activity of the company is the production and packaging of soups, soup cubes, spices, spice mixtures, puddings, whipped creams, instant coffees, teas and others.

Product quality is confirmed and certified by HACCP and EEIG. In addition to the quality guarantee for its own brand, Mladost is behind the quality of products from its range under the private label of large systems in the country and abroad. The company is striving to build brand recognition as a healthy, safe and affordable food product by : continuous quality control of raw materials, selection of the best raw materials, building long-term relationships with suppliers, monitoring of technological novelties, implementation of innovative methods, social responsibility, both towards their own employees, as well as towards the community and the environment.

Mladost products are placed on both domestic and foreign markets. Distribution is organized on the markets of Serbia, Republic of North Macedonia, Greece, Bosnia and Herzegovina, Montenegro, Croatia, Slovenia, Switzerland, Sweden, America, Canada and Australia. With the development of new products and services, constant modernization and consistent control, the company aims to achieve

“Satisfaction for the whole family”
